Enrollment Status

Student status will apply to enrolled SCSU students carrying at least 3 undergraduate or 3 graduate credits each semester. **Staff/Faculty status** will apply to families where at least one supporting parent is employed at SCSU. **Alumni Status** will apply with director approval when the student graduates and still has need for child care. Student status will preempt staff/faculty/alumni status when one supporting parent maintains full-time SCSU enrollment (12 undergraduate or 6 graduate credits each semester). Enrollment status will determine LELC fees and family admittance.
