TRIO ORIENTATION

**Fall 2024 Student Orientation
Wednesday, Sep. 25th**

The TRIO Orientation featured informative presentations from Jason Woods VP of strategic enrollment, a "What's Your Why?" session from TRIO, and advice from Shawn Kakuk and Dr. Johnson on student success and well-being. The day concluded with a fun pizza party, giving students a chance to connect.

MAINSTREET

TRIO was proud to participate in the Mainstreet event at SCSU, a student involvement fair that connects students with over 200 campus groups. During the event, staff promoted TRIO's resources and mission, while encouraging students to join and take advantage of the support and opportunities available through the program. It was a great chance to engage with students!
